### Various Forms Of Headache

"It is necessary in order to treat headsches properly to understand the causes which produce the affection" says Dr. J. W. Ray of Blockton, Ala. Continuing, he says: "Physicians cannot even begin the treatment of a disease without knowing what causes give rise to it, and we must remember that headache is to be treated according to the same rule. We must not only be particular to give a remedy intended to compendent the cause which produces the headache, but we must also give a remedy to relieve the pain until the cause of the trouble has been removed. To answer this purpose antil-kamnis Tablets will be found a most convenient and satisfactory remedy. One tabletevery one to three hours gives comfort and rest in the most severe cases of headaches of when we have a patient subject to regular

of women."

When we have a patient subject to regular attacks of sick headache, we should caution him to keep his bowels regular, for which nothing is better than "Actoids", and when he feels the least sign of an oncoming attack, he should take two A.K Tablets. Such patients should always be instructed to carry a few Anti-kamnia Tablets, so as to have them ready for instant use. These tablets are prompt in action, and can be depended on to produce relief in a very few minutes. Askfor A-K Tablets.
